

PTG Treatments Ltd

Health & Safety Policy Statement

The PTG Timber Treatment business is committed to the health, safety, and welfare of all its employees and others who may be impacted by its operations. It is also dedicated to ensuring that its statutory obligations are met or exceeded at all times, as far as is reasonably practicable.

Effective health and safety require the commitment of both the business and its employees, and the business is committed to ensuring that partnership succeeds.

The Company is committed to:

- Ensuring that any health and safety risks arising from our work activities are properly managed
- Ensuring that its work activities do not present any risks to our staff or to anyone who may be on one of our sites
- Working to prevent accidents and work related ill health
- Ensuring that it provides the correct plant or equipment for the tasks to be carried out
- Ensuring that all the plant or tools used by it are maintained properly
- Ensuring that the welfare facilities are adequate for the number of staff
- Ensuring the safe handling, use and storage of materials, whether solid, gas or liquids
- Ensuring that appropriate Personal Protection Equipment is supplied where needed
- Ensuring that all employees are competent to do their tasks, and giving them adequate training and/or supervision
- Reviewing this policy every 2 years, unless there are changes to the legislation.
